

STATEMENT OF QUALIFICATIONS (SOQ) FOR CONSTRUCTION MANAGEMENT SERVICES

RE: Milwaukee County Project No. WH090012
S. 96th Street to S. 112th Street W. Ryan Rd. (CTH H)
City of Franklin
Milwaukee County

Milwaukee County Department of Transportation (MCDOT) is hereby requesting your firm's Statement of Qualifications (SOQ) for providing construction management for the above referenced construction projects in the City of Franklin, Milwaukee County.

The construction management services to be provided include, but are not limited to, providing a qualified and experienced construction management staff, quality verification, quality assurance, and field management support. The anticipated construction start date is May, 1, 2017 and the anticipated construction completion date is November 1, 2017.

The SOQ should include recent experience of your firm (i.e. projects within the last 2 to 4 years), identification of key project personnel and their qualifications, a maximum of three (similar projects) references which may be contacted. The key personnel listed in the SOQ shall be the individuals who will be doing the work.

One (1) original and three (3) copies of the SOQ shall be received, no later than 2:00 PM on Monday, February 6, 2017, at the following address:

Aziz Aleiow, P.E., Managing Engineer
Milwaukee County Department of Transportation
10320 West Watertown Plank Road
2nd Floor
Wauwatosa, WI 53226

SOQ by joint venture groups as well as individual firms will be considered. Firms will be short listed. An interview will not be scheduled to further assess your firm's qualifications.

Milwaukee County reserves the right to enter into immediate negotiations and contract award with any short listed firm based solely on the information contained in the SOQ. If negotiations result in an award of contract to the selected firm, then all remaining firms will be notified accordingly. If negotiations with the selected firm fail to result in a contract award, then negotiations will begin with the next firm selected and so on.

Be advised that there is a minimum Disadvantaged Business Enterprise (DBE) participation goal of 17% for the construction management of these projects. Milwaukee County has established overall participation goals on the purchase of goods and services, and construction services utilized in County procurements with Disadvantaged Business Enterprise (DBE) certified firms, in accordance with Chapter 42 of the Milwaukee County Code of General Ordinances.

All respondents to this solicitation are encouraged to seek out and utilize DBE firms on Milwaukee County's construction-related procurements and contracts. The directory of certified firms, and further assistance with this initiative, can be obtained by contacting the Community Business Development Partners Department of Milwaukee County (CBDP) at (414) 278-4747, or cbdpcompliance@milwcnty.com. The directory of DBE firms currently certified in the State of Wisconsin can be found at:
